

COVID19 WEEK 2 LOCK DOWN IN REVIEW

PROTECT OUR WHANAU, PROTECT OUR WHAKAPAPA, SAVE LIVES

HINEURU COVID19 'NEW NORM'

- Navigating & facilitating help and support for kaumatua in need that were contacted & getting a report back on the outcomes of all referrals made
- Starting to embed the essential service work underway with others in the Ahuriri Satellite of the Tihei Mauriora Emergency Response Centre for Hineuru Whanau resident in the Hawkes Bay Region
- Began referral process for (16) Hineuru Kaumatua not living in Hawkes Bay through the Whanau Ora Commissioning Agency & Whanau Ora Providers across the country
- Weekly planning & constant communication by Hineuru Iwi Trust governance & staff developing & implementing a survival plan to protect and preserve Ngati Hineuru Iwi & Hineuru Iwi Trust

CHALLENGE TO BE TACKLED

- Having up to date contacts of our tribal members on our tribal register so we can quickly & efficiently check in on their wellbeing.

75 Kaumatua aged 65yrs+ we have been unable to contact and locate due to outdated contact info

OPPORTUNITIES

- Learning directly from Hineuru Whanau what their fears & concerns are while in lockdown & getting a deeper appreciation of the issues thereby informing an easily adaptable & evolving Hineuru response.
- Sustaining relevance with our whanau, hapu & Iwi

Ahuriri Hub of the TMC Emergency Response Centre

- Ngati Hineuru are a partner organisation of the Ahuriri Hub which is set up at 5 Sale Street, Napier to respond to health & welfare needs of our kuru/whanau pounamu (vulnerable whanau).
- It is a collaboration between Te Taiwhenua o Te Whanganui ā Orotū, Te Kupenga Hauora, Ngāti Pahauwera, Maungaharuru Tangitu Trust, and Ngāti Hineuru..
- The partnership with PSGEs has seen for the first time a 'NO BOUNDARIES' approach to coming together as one and helping get the support our people need during this Pandemic.
- The Ahuriri Hub is co-ordinated by Hori Reti and a team of 10 volunteers linked to Te Kupenga Hauora. The Hub was initially operating as an 'essential service' sending out care packages to our vulnerable kaumatua and kuia. This has now evolved to helping other vulnerable whānau in need. Health Services are delivered by Te Kupenga Hauora.

**We wish you a joyful Easter Whanau
Stay home & be life savers! Kia haumaru te noho**

NEXT STEPS FOR HINEURU

- Hineuru Iwi Trust have appointed three Hineuru Iwi Whanau Champions to support Hori & his team who will work at the Hub 14 - 17 April 2020.
- Further tracking of all referrals made to organisations outside of Hineuru Iwi Trust.
- Looking at hiki wairua strategies including the use of our social media platforms to engage our whanau in zui (online hui held via Zoom)
- Reviewing the Government's 17 March stimulus package & how it can help Hineuru get through COVID19

Hiki Wairua - Zui A Iwi - Friday 17 April 2020

- At this week's governance hui Hineuru Iwi Trustees discussed ways that they could reach out to Hineuru Iwi members during lock down and it was agreed that the Board would try hosting an online Zui A Iwi - an online meeting using the Zoom application. Here is a link where you can sign up to Zoom and learn more about how to join a meeting: <https://www.youtube.com/watch?v=FnFSBjFvK2o>
- You will need to download Zoom on to your computer, mobile phone or other device to join the Zui.
- We can host a zui with a maximum of (50) participants so if you would like to participate in this zui at 11am on Friday 17 April 2020, which will be no more than 1 hour in length, please register your interest with Helena Thompson at info@hineuru.com. It will not cost you anything to join this zui. When you register you will get the details to join the zui including an agenda and an outline of the kawa for the zui. This will be a completely new experience for Hineuru Iwi Trust so we hope this zui will be successful and in advance ask for your patience as we try meeting online as an Iwi.

Hiki Wairua Amongst Staff

- Working from home has required us to quickly adapt and improvise. It has meant learning how to share 'work space' within our whanau bubbles & finding a new rhythm to get much needed help out to our whanau. We count ourselves lucky to have a mahi when we find out first hand from some of our whanau that they have been let go from theirs.
- To stay upbeat for those we serve we connect online doing fun activities on a Friday afternoon.
- Here's a pic of Sierra, Robyn & Helena doing a hair - hat zui. More now than ever to take a deep breath, have a laugh & check in on each other & our wellbeing.

Nga mihi nui - Compliments

- To Te Tihi o Ruahine Whānau Ora Alliance for your help and assistance with Whaea Jacqueline
- To Ngati Hine Health Trust for your help and assistance with Whaea Dolores
